Before students login you will need to check and setup if necessary the following:

1. Learning Environment - teacher can select the primary view or intermediate view

- Intervention - if you check this box the student will start 1 1/2 years below their current grade.
- Password - If teacher selects picture password they must then set the picture password. Kindergarten and 1st grade decided to use picture passwords. If the teacher selects text as password they don't need to make any changes to password.

Please check your class list if you have missing students please send them to Mrs. Tyner.

REMEMBER to scroll down to the bottom of the page and "SAVE CHANGES".
