The class progress report contains cumulative data based on test and benchmark data. Use the filter to narrow by date range and include practice questions. Click on a circle to assign practice in that particular Element. Click on student's name for more detail.

Column Descriptions

- Tests - The sum of any test or benchmark question completed on the site. Tests must have an elapsed time of > 5 minutes.
- Questions - The sum of any practice questions completed in this particular element.
- Icons - This column is based on the test or practice question average.
 - = No Data
 - = <66%
 - = 66-85%
 - = >85%
